Dedicated to . . .

MR. LESTER R. SMITH

for his seven years of service as a dedicated superintendent, seventeen years as a conscientious principal, and twelve years as a responsible teacher. It is a self-sacrificing person that will spend thirty-six years of his life constantly working toward the improvement of Wasco Union High School. The only thanks we can give Mr. Smith for his life long service and his courteous attitude toward students, faculty, and community is on this page of honor.

and . . .

MRS. RUTH WOODMAN

for the thirty-six years of formative instruction that she has given the commercial students of Wasco High. The Wasconian staff is certain that the many commercial-major graduates join with us in giving to her our gratitude and thanks for the unselfish and beneficial time spent training students to take their places in a world of business.

MARY HOKIT, Publicity Manager

Mary Hokit, school publicity manager, has had an extremely busy year. This senior miss, with Mr. George as her advisor, worked diligently at her job of reporting to the Wasco News about rallies, club news, and other school activities. Because of Mary's dependability, the community was kept informed of school functions. Mary was chosen as publicity manager mainly because of her interest in school affairs and because of her experience as editor of the Tiger Rag. The Wasco High students are grateful for her work on school publicity during the past school year.

Mr. Cutner, student council advisor, is one of the busiest teachers on campus. He has been advisor for four years—the last two years as coordinator of student affairs. He works with all student body officers and the student council in their activities, projects, and programs. Mr. Cutner helps advise candidates for student body offices. He arranges for student body assemblies and elections. Besides this, he attends the three yearly meetings of the California Associated Student Council, District 16. He also attends one annual summer meeting of the Student Leadership Conference at Camp Condor.

MR. CUTNER, Student Council Advisor

JILL PETERS, Historian

Jill Peters was Wasco High's first historian. Elected by the Student Executive Council, she had four assistants: Joyce Beasley, Mary McCallum, Adeline Riggin, and Francis Riggin. They were kept very busy trying to keep an accurate record of the school's functions and activities. They collected newspaper clippings, football ribbons, programs of all student activities, and prints of some of the pictures Mr. Boggess took of the school events. These were placed in the school scrapbook located in the library for all students to see. Mr. Clement made the scrapbook orange with black inlaid letters.

Class of 1961

September, 1957, was a milestone in the lives of the nearly one hundred fifty students that entered Wasco High as Freshmen. At that time, they didn't realize how important the next four years would be. Looking back now, they realize that the years spent at Wasco High have molded the major part of their lives.

As Freshmen, the class was mainly concerned with becoming acquainted with its new surroundings. The Frosh distinguished themselves as an outstanding class by participating vigorously in the rally contest and inter-class track meet.

The following year was extremely busy for the Sophomores. No longer bothered with the problem of orientation, the class busied itself with various activities. The highlights of the year, of course, were the selection of class rings and serving at the Junior-Senior Banquet.

Suddenly they were Juniors, proven upperclassmen sporting shiny new rings. In the spring the class presented "What A Life" under the direction of Mr. Mendenhall. Later, they hosted the seniors with an elaborate Hawaiian banquet.

Their last year at Wasco High was full of the usual activities of a graduating class. A cast of ten presented an outstanding production of "The Diary of Anne Frank." Senior "ditch" day, Senior Breakfast, and Baccalaureate made the last month very busy. Then, on May 26, 1961, they marched down the aisle to receive their diplomas, the symbols signifying the end of their fruitful high school career. Alma Mater dear Wasco High!

SUPERINTENDENT

Message

The record of this year's student achievements in scholarship and citizenship is an outstanding one. Our students have given us good substantial proof that they are interested in and concerned about getting an education. In addition to this number one interest, they have given first hand evidence of genuine enthusiasm in a large number of student projects and activities throughout the year. This combination of good scholarship and fine leadership has resulted in an enviable record of student accomplishments.

Our Wasconian Staff and Advisor are to be congratulated upon this excellent recording of the work and activities of the school year!

I extend to our seniors and to the members of the other three classes my continued best wishes for future success and happiness.

LESTER R. SMITH

Message

Sincere congratulations to Editor Judy, her staff and advisor, on this excellent Wasconian. It records faithfully and creatively our 1960-61 school year at Wasco High School. This has been a school year in which we can all take great pride.

To the graduating seniors I would say that we shall miss you very much. You have been an outstanding group, as a class and as individuals.

We are confident that as you step off now into further education or careers you will carry with you your full measure of the skills, knowledge, and ideals that you have worked to develop here at Wasco High.

You are graduating into a world of great change and challenge. Meet the changes with intelligence; face the challenges head-on.

Good luck!

The 1960 edition of our Wasco Tigers has been called the greatest ever assembled on the local gridiron. Names like McGuire, Garrison, Floyd, Hulse, Medlin, Pearson, Beckman, and Brady will be remembered as the stalwarts who led their team to the second undefeated season in Wasco Union High School's history. The 9 won 0 lost 0 tied record includes victories over perennial powers such as Hanford, the champions of the much larger Central Yosemite League, and Coalinga. The sweetest triumph of the year came over arch-rival Shafter in the season's finale. Both Wasco and Shafter went into the game with 4-0 loop records which added to the general hysteria.

TIM PETERS, Captain

The 1960 version of the Wasco High Cubs fought gallantly but fruitlessly to reap a successful season. Coaches Dillingham and Wilkins offered their best knowledge, but the result was a 1 won 8 lost record.

Made up mostly of freshmen and sophomores, the Cubs showed definite signs of inexperience. But, in 1961-62, with one year of experience behind them, the B's will make a much better showing.

Most Valuable Player, as voted by his teammates, was a freshman, Billy MacDonald. Captains chosen were John Boydston and Tim Peters, both sophomores.

STAN LOEWEN and CARL SPRADLIN

Made up mostly of underclassmen, the Varsity Basketball Team turned a fine season of 11 victories to 10 losses. Seemingly on their way to a league championship, the Tigers defeated themselves by underrating both Garces and Coalinga. The first two encounters saw the Tigers knock off preseason favorites, Lemoore and Shafter. Wasco ended the season in second place behind Shafter with a 6 won 4 lost league record.

Charles Gaither, Othel Pearson, and Larry Hulse were the highest scorers with strong rebounding help from Charles Walton and Dennis Hill. Sophomores, Tim Gilmer, Sherril Boyett, and Ed Hawk contributed to the cause with numerous fine performances.

Playing under the burden of being pronounced pre-season favorites, the Wasco Cubs played erratic basketball. At times the Pat Mills coached roundballers showed great desire and ability, but at other times they seemed to lack the needed incentive to win.

Lee Farley and Danny Mozingo combined to do most of the scoring. Danny was also voted captain for the season. Thornton Marks, David Hillblom, and Richard Paslay rounded out the Cub starting lineup. Freshmen—Pete Williams, Dan Shuford, and Jerry Ford added much to the overall season effort.

Triumphs over Garces and Corcoran were the only victories the Cubs managed in league play. Meeting some excellent B squads, the Cubs recorded an unspectacular 6 won 11 lost record.

KITTENS

Playing an eleven game schedule, the Wasco High Basketball Kittens reported a fine record of 8 wins and 3 defeats. The usual starting lineup consisted of four freshmen—Dick Permenter, Cordell Jackson, Kenneth Gannaway, and Ronnie Nickel, and a sophomore—Robbyn Mosley. Permenter was selected as captain for his leadership during competition.

The Kittens managed a 4-2 league record which placed them in a strong second place behind talented Shafter. In the final meeting Shafter nosed out gallant Wasco for the championship in an exciting 26 to 25 win.

Coach Dale Dillingham and his charges deserve much credit for their fine accomplishments.

This year's cross-country team was predicted to be weak because it was composed of underclassmen. However, the team went on to prove that the forecasts were wrong as shown by the league standings. The cross-country league was composed of Bakersfield, East Bakersfield, North, South, Taft, Shafter, Corcoran and Arvin. The Varsity Team was composed of four juniors and one freshman. Robert Bolanos tied Bob Miller for the title of fastest runner with a time of 9:33.0 for the 1.8 mile.

The relatively young swimming team of Wasco High School is showing continual development. It has grown from a twelve member team in six years to the present twenty-one swimmers. Coaches Clement and Mills have spent numerous hours training the swimming team in the skills of aquatics. Extra time spent coaching the team was rewarded in the performances of Gary Porter, Donna Archer, Carol Berendsen, and Dick Unruh. The varsity squad consisted of only two boys. On the other hand, the B team boasted a full squad. The girls team performed impeccably to win several meets. As a whole the 1961 swimming team was not mature enough to receive first rate recognition at meets. However, in future years it is destined to win the league meet if the present rate of progress continues.

Champs 1961 is the summation of this year's fine track and field season. With only nine seniors, the team entered the season with high expectations and garnered the varsity and class C division at the Wasco 20-30 Relays, sweepstakes at the Kern Relays, third at the Exeter Invitational, first in the varsity at the Garces Invitational, and second in the varsity and sweepstakes at the Sanger Invitational. The league championships in "B" and "C" class and second in varsity competition capped an already very successful season.

Bill Gray and Paul Trammel blossomed into two of the finest weight men in Wasco High history. Bill broke the school shot record with a toss of 52' 6", and Paul broke the school discus with his 159' 10" flip.

Other performers on the A squad who collected many first places and valuable points were Leo Coleman in the 440 (51.5) and the sprints (10.0 and 22.5), sophomore Sherill Boyett in the 120 HH (15.4) and 440 (52.9), Bob Miller in the 880 (2:04.8) and the broad jump (21' 3"), Gary Settlemire and Charles Walton in the 220 (22.6 and 22.9), Clyde Broom in the high jump (5' 10"), and Charlton Stephens in the hurdles (15.9 and 16.0).

The B team was led to many first place victories by freshman Robert Bolanos in the 1320 (3:28.4), Thornton Marks in the hurdles (8.9 and 18.4) and the broad jump (20' 8"), John Prueitt and Ralph Zuniga in the 880 (2:09.7 and 2:11.2), and the relay team composed of John Butler, Sammie Hanes, Eddie Johnson, and Thornton Marks with Tim Peters as alternate (45.2).

The class C team had outstanding track men in LeRoy Callahan (8.0, 12.5), Billy McDonald (8.3, 12.8), and Fred Butler (8.3, 12.9) all in the sprints, Jim Arriaga and Eddie Gonzales in the 660 (1:31.0, 1:33.0), Fred Butler and Jim Beasley in the 330 (39.2, 40.0), Steve Aguilera and Rick Cowan in the shot put and discus (96' 6", 42' 11") (90', 41' 7").

A 14 year old class C record was broken by the 440 yard relay team—Bill McDonald, Jim Beasley, Fred Butler, and LeRoy Callahan in a swift 46.4.

MR. MENDENHALL, Director

A well known play, "The Diary of Anne Frank," is a challenge for any cast and director to present. This difficult drama was selected by Mr. Mendenhall for the class of 1961. After many hours of hard work during the summer months, Mr. Mendenhall completed a detailed, realistic set in which many rehearsals were to be held.

The plot of the "Diary" concerned three Jewish families in hiding because of the Nazi persecution. Their survival from day to day was recorded in a diary by Anne. The story of these people's meager existence and final destruction is one which will always pluck the strings of men's hearts.

Mr. Mendenhall and his cast were well rewarded with excellent reviews for their memorable performance.

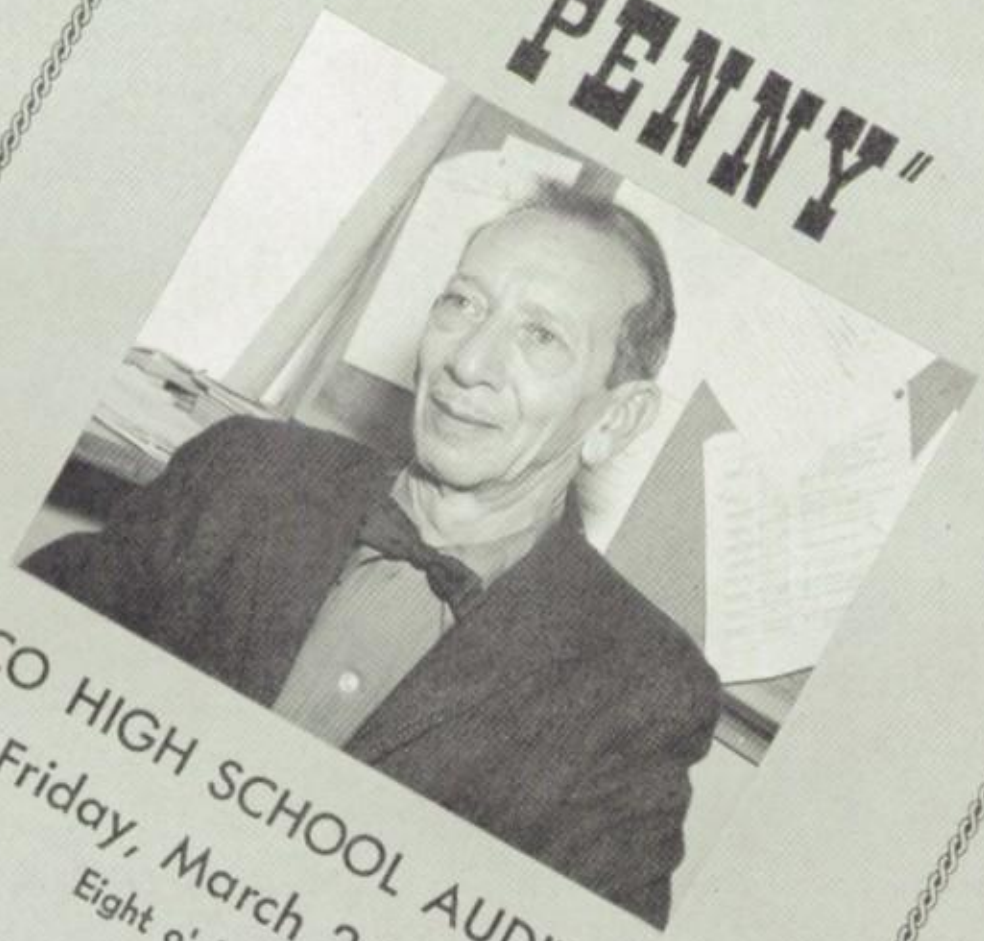
"PENNY"



WASCO HIGH SCHOOL AUDITORIUM
Friday, March 24, 1961

MR. MENDENHALL, Director

What happens when a father speaks out against the wiles and charms of the female? How do the members of the fairer sex react when they are given equal rights? These questions and many more provided the basis for this year's junior play, "Penny." With Wendy Peuschel playing the lead as Penny, Richard Terrell as her hard working father, and Julie Crowder as her mother, the junior play proved to be a success. Penny's beaux—Elwood, Cedric, and Doodie, as played by Stewart Hobson, Raymond Park, and Stan Loewen—stepped in at the wrong time and caused a slight case of confusion. All in all, it was a hilarious situation with a pleasant climax.

Nineteen-sixty-one was an active year for the Art Club and its advisor, Mr. Clement. It sponsored a most successful dance during the football season; over one hundred students attended. In basketball season the club sold refreshments during the Wasco-Shafter game. They went right to work in the winter holidays making and selling Christmas corsages. High-lighting the year was the "School Sign Project" to which the club promptly donated $25.

For recreation, a trip was taken to Lake Isabella; food, goodies, and refreshments were served to the members.

The Art Club has played an important part in the school year, and was one of the most active organizations on campus.

The Wasco High School Tiger Band, under the leadership of drum majorette, Carol Berendsen, and director Paul Scharfenberg, presented fine half-time performances during football season.

Despite rain, the band presented an outstanding exhibition at Long Beach to win third place in their class at the All-Western Band Review. Participation in the Potato Bowl and Christmas Parade climaxed the successful marching season.

The Music Festival at Bakersfield and the annual Spring Concert comprised the band's concert season activities.

The band's last appearance was May 26, when they played "Pomp and Circumstance" for the graduating Seniors.

Mr. Lester R. Smith, Superintendent of the Wasco Union High School District, was honored by the Wasco Future Farmers at their 21st Annual Parents and Friends Banquet for his long and distinguished service. He was presented a wrist watch in appreciation of the support and interest he has given the FFA and its activities. Mr. Smith has served the district since 1925 as a teacher, vice principal, principal, and superintendent. He was made an honorary member of the Wasco Chapter in 1938. He has attended each banquet since that time and was elected Citizen of the Year in 1956. Fourteen of the sixteen buildings on the campus were built during his administration. The chapter also honored Mrs. Smith for her service to the school and community. She was presented with a corsage and one of the FFA wool blankets.

Dr. Mary Griset, a highly popular doctor of medicine in Wasco for many years, and Oscar Neuman, Babe Ruth baseball league manager, were named Senior and Junior Citizens of the year respectively, for their services to the City of Wasco. Mrs. Lem Earnest was named as FFA Mother of the Year, based on the activities of her son, Jimmie, who was named Star Farmer of the Wasco Chapter FFA. Bill Evans received the California Bankers Certificate as the top Wasco Future Farmer based on scholarship, project work and leadership. The award was presented by Carl Hartzell of the Bank of America. Bill was first semester president of the FFA and delegate to the National convention. In the National FFA Foundation awards, Bill Tackett received the Star Green Hand award and Isaac Romo was selected as top student in farm mechanics. Pat and Jerry Serjeant received the Doctor Arthur W. Breakiron Father and Son trophy and Gary Hill was awarded the Kiwanis Club Hampshire gilt, which was presented by Rolan Ellebracht, past president of the Kiwanis Club. Robert S. Maxwell, principal of Wasco Union High School, and Ed Beckman, Manager of the Security First National Bank, were made honorary members for their support of the FFA. Grayson Atchison did an outstanding job as Toastmaster. During the banquet, the gold keys of State Farmer were presented to Harley Barling, Jr., Jerry Unruh, and Kirke Howard, all graduates of the agricultural department. The invocation was given by Gary Kruger, the Pledge of Allegiance was led by Robert Miller. A welcome address and a talk on beef were given by Bill Evans. Introduction of the Creed and Emblem was given by Gary Hill. The creed was recited by Ricky Glover, James Ediger, Cruz Rodriquez, Bill Tackett and Duane Sherrill. Jimmie Earnest and Isaac Romo gave short reports on swine and farm mechanics. The highly attractive printed program was the work of Tom Shafer, a long-time friend of the FFA.

At the State Convention of the FFA, the Wasco Chapter was awarded a plaque for first prize in the chapter scrap book competition. The contest was sponsored by the California State Polytechnic Journalism Department.

Jimmie Earnest, Bill Evans, and Robert Long have qualified as applicants for the State Farmer degree which would bring to a total of forty-one the State Farmers from Wasco Chapter plus two American Farmers. Mike Hankins and Harley Barling, Jr., have applied for the American Farmer degree.

Gary Tackett, Wasco FFA Sophomore, received Reserve Grand Champion placing on his Black Angus steer at the California State Fair, and the chapter won the purple ribbon sweepstakes Farm Mechanics in competition with eighteen other high schools participating. This is the thirteenth time in fourteen years that Wasco has won the sweepstakes. At the Kern County Fair the chapter won the trophy for the 10 best market hogs with Bill Tackett, Bill Lewis, Danny Hicks, Eugene Wetmore, Jimmie Earnest and Jerry Serjeant owning the winning hogs. The chapter Farm Mechanics exhibit received the sweepstakes trophy and a trophy for the outstanding Farm Mechanics display. Bill Tackett had Reserve Grand Champion barrow, being excelled by a Wasco exhibitor, showing for the 4-H Club, Sterling Joe Grant. In the open division, carloads entered by the Wasco chapter were placed as Grand Champion carload on a load of Angus, and a Reserve Grand Champion carload on a load of Herefords. Robert Long received the highest price at the great Kern County Fair auction which was given most generous support by Wasco buyers.

The Wasco Chapter sponsored a highly successful FFA Officers Training school and dinner for the FFA Chapters in Kern County during October.

At the Great Western Livestock Show Bill Lewis had grand champion pen of three market steers, Bill Tackett had champion Future Farmer pen of three market hogs. A trophy for the best group of six market hogs was won by the boys from the Wasco Chapter. The winning barrows being owned by Bill Tackett, Nick Bowles and Jimmie Earnest.

Bill Evans was named to attend the National FFA Convention in Kansas City, Missouri, but was prevented from going by an attack of influenza.

The Annual FFA Assembly featured a humorous skit by Bill Evans and Gary Kruger; a trained animal act, by Lloyd Simpson; a male quartet with seven senior members, Bill Evans, Isaac Romo, J. W. Colbert, Rufino Lugo, Carl Sherrill, Benny Craig and Edgar Robinson; Robert Miller gave a humorous reading; Jimmie Earnest, Nick Bowles and Ronald Lynch presented reports on chapter activities; three guest musicians from Delano High School furnished trombone, piano and vocal solos.

Bill Evans, Jimmie Earnest, Sterling Joe Grant, Nick Bowles and Gary Hill exhibited beef and swine at the 1961 Junior Grand National livestock exposition at San Francisco. Ribbons won included five prime beef, two high choice and five number one select hogs. Bill Evans and Nick Bowles received qualified showmanship awards.

Toward New Horizons

The motto of the Future Homemakers of America expresses the purpose of the organization. The emblem symbolizes that the future homes of America are in the hands of its youth The flower is a red rose. The main goal of FHA is learning to live better today in order that the homemaking pupils and their families may be better tomorrow.

Future Homemakers develop creative leadership through making it possible for every member to participate in planning and doing. Chapters stress individual responsibility and cooperation so that members will become more cooperative family members.

Early this year the Chapter participated in an officers' workshop at Hanford High School getting and giving new suggestions for their club meetings. The members also participated in an Executive Forum at Tagus Ranch in Tulare. Here our slogan "FHA Teens Make Homemaking Queens" was selected to become the motto of the district meeting in Bakersfield. The group highlighted their activities by preparing a skit to dramatize their motto. The members also took part in such activities as serving for the Athletic Banquet and the FFA Banquet. The FHA'ers also found time to plan and enjoy several parties.

DONNA ARCHER, Vice President; KENNETH OLIVER, Representative;
ANN STRUEMPF, Publicity Chairman; RICHARD TERRELL, Treasurer.

The Latin Club is devoted to furthering an appreciation of Roman customs, entertainment, and culture. To encourage this purpose an annual slave auction, followed by the initiation of new members, is held. New inductees are formally introduced into the Latin Club through traditional ceremony at a potluck.

A banquet, the most festive and Roman-like event of all the Latin Club activities, occurs every two years. While the senior citizens of the Latin Club recline on cots in customary Roman noble fashion, they are obediently served by lowly frosh attendants.

Under the supervision of advisor, Miss Hordeman, the Latin Club feels it has had a successful year.

Spanish Club

MR. PARROTT, Advisor

KAREN BARTEL
First Semester President

TIM PETERS
Second Semester President

Once again the Spanish Club, made up of present and past Spanish students, was one of the more active clubs on campus.

Last summer a group of Spanish students, accompanied by Mr. Parrott, advisor, traveled to Mexico and attended a two week summer session at the Universidad Interamericana. They lived in the homes of Mexican families. All club members who went on the summer tour received benefit from club funds to help defray expenses of the tour.

The breaking of the traditional pinata highlighted the annual Christmas party held in the cafeteria, after which refreshments were served and a few Christmas carols sung.

Instead of having the club banquet in May as has been the procedure during the past years, it was held two months before school was out.

Following a new custom started last year, meetings were held at noon, with members bringing their sack lunches.

The Spanish Club also continued to sell pop and popcorn during activity periods to supplement their treasury funds.

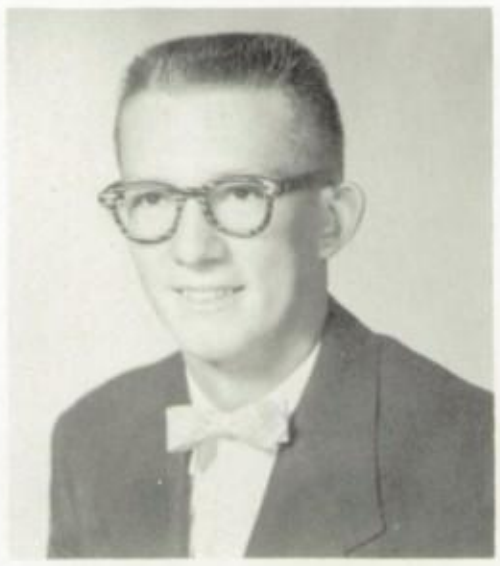
Magna Cum Laude

SUSAN LINDGREN



PHILLIP SIEMENS

The finest award that can be attained for high school scholarship is Magna Cum Laude. Given each year to the graduating boy and girl who have earned the highest grade point average during their four years of high school, this honor was presented to Susan Lindgren and Phillip Siemens. They were the outstanding scholars from the senior class of 1960.

Boys' State

Attending Boys' State, a laboratory of practical political science, is an event never forgotten by anyone who participates. To spend a week with eight hundred high ranking fellow Californians learning more about the democratic processes which govern our society is a most rewarding experience. Studying in detail the practical aspects of city, county, and state government lays a firm foundation for future participation in politics. Jeff and I would like to take this final opportunity to thank everyone who in any way made it possible for us to attend Boys' State.

Editor's Message

The purpose of this Wasconian is to keep a detailed record of the year's events so that the graduates of Wasco High School will have a source of memories from which to draw in the years to come. We, the Wasconian staff, attempted to encourage and promote the campus spirit typical of Wasco High by publishing a book with the motto "Show Some Spirit." I sincerely hope this year's annual will fulfill its designated purpose. The book had a limited amount of space, and I hope the predetermined space was used to the best advantage.

Among those who deserve special recognition for their assistance in publishing the 1961 Wasconian are the following:

Carol Knopf, art editor, for her many uncomplaining hours of cartoon work.

The Shafer Publishing Company staff for their personal interest in seeing that this book was published as attractively as possible.

Mr. Ray Rexius for his many long hours of concentrated effort in taking and printing the photographs used in this annual.

Mr. Appel for the confidence he showed in the Wasconian staff.

Julie Crowder, assistant editor, for the numerous and important tasks performed in an organized manner.

Larry Hulse, sports editor, for his enthusiasm to publish the book and his continual strivings after TRUTH in the sports stories.

Marilynn Hahn, business manager, and her assistant, Marilyn Bauer for the efficient way in which they handled the sale of Wasconian ads.

The reporters and art assistant, Andy Ramirez, for the generous contribution of time and talents.

JUDY NEUFELD
